Tadeusz Kościuszko Cracow University of Technology
HEREBY ANNOUNCES A COMPETITION FOR THE POSITION OF
research and teaching assistant

in the Department of Thermal Processes, Air Protection and Waste Disposal - Faculty of Environmental Engineering and Energy

Type of employment contract: **full-time**

Number of available positions: **1**

Type of employment contract: **fixed-term for 24 months**

Scientific discipline represented: **environmental engineering, mining and energy**

1. Essential requirements:

- Master's degree in engineering science, indicating environmental, mining and energy engineering as disciplines of their scientific research
- familiar with energy-related problems,
- graduation of higher technical education with a grade at least above good (B),
- an aptitude for research and teaching,
- fluency in spoken and written Polish and satisfactory knowledge of English for scientific work,
- the indication of the Cracow University of Technology as the primary place of work.

2. Additional requirements:

- indicating environmental engineering, mining and power engineering as disciplines of their scientific research,
- scientific interests related to thermal engineering,
- organisational skills and the ability to work as part of a team.

3. Scope of duties of the position:

- teaching and consulting students to comply with the PK Work Regulations,
- active participation in the scientific work of the unit,
- taking an active part in the organisational work of the department,
- other work ordered by the immediate supervisor.

4. Required documents:

- an application to the Rector to be employed as an assistant in the research and teaching staff group,
- a detailed CV (including previous employment history),
- photocopies of educational documents,
- photocopies of other documents proving your qualifications or acquired skills,
- proof of pedagogical training or declaration of completion during the first year of employment.

Employment will be made following a competitive process consisting of:

- analysis of the documentation submitted,
- possibly conducting interviews (face-to-face or via instant messaging).

The required documents should be submitted to:

Secretariat of the Department of Thermal Processes, Air Protection and Waste Disposal, 24 Warszawska Street, 31-155 Kraków, Faculty of Environmental Engineering and Power Engineering, building W-2 (10-19), 1st floor, room 120, phone: 12 628 28 03, 12 628 28 60 between 10 a.m. and 2 p.m.

The document folder should be marked as the competition for the assistant position in the research and teaching staff group, case number Ś-5. 116/2022 or send it as a scan to the e-mail address s-5@pk.edu.pl.

Documents must be submitted by the deadline of **September 2nd, 2022**.

Deadline for resolving the competition: by **September 9th, 2022**.

Krakow University of Technology reserves the right to contact candidates whose applications met the requirements and received the highest rating by the Recruitment Committee. Information about the competition results will be published on the website of BIP PK and the Ministry of Education and Science.

The submitted documents can be collected at the Secretariat of the Department of Thermal Processes, Air Protection and Waste Disposal from September 12th to September 23rd, 2022. The commission will destroy documents that are not collected by this date.
